I recently took a trip to Bhutan with Nomadic Trails, and it was an amazing experience. Everything went according to the itinerary; hotel choices were perfect, and there were no issues with car transportation. Daily notifications for breakfast and dinner were timely.

Mr. Ajit (AJ) is the best person from Nomadic Trails. He is very polite, respectful to everyone, and helpful at the same time. I would highly recommend Nomadic Trails to people planning a trip. If anyone wants to go for a trip within India, they offer numerous destinations.
